Mpumalanga Province

National Senior Certificate (NSC) 2015 Statistical Report

Grade 12 Results analysis

I take this opportunity to congratulate the grade 12 class of 2015 and release the statistical report that unpacks how various categories of candidates have performed.

The report focuses on performance by districts, circuits, schools municipalities and the province.

Schools are expected to analyse their own schedules for better clarity of subject performance since this report provides a broad provincial analysis.

The support received from our stakeholders is heartily appreciated.

We should strengthen the collaborative efforts for better results since education as a societal issue that requires collective undertakings to move performance to the next level.
