MEC MAJUBA TO MONITOR NSC EXAMS AT MGUBHO SECONDARY SCHOOL IN NKOMAZI LOCAL MUNICIPALITY

The MEC for Education, Mr. Bonakele Majuba, will on Monday, 30 October 2023, undertake the monitoring of the commencement of the 2023 National Senior Certificate Examinations at Mgubho Secondary School in Nkomazi East Circuit in Nkomazi Local Municipality from 07H30.

The Mpumalanga Department of Education has registered 68 681 full-time candidates who are expected to be in their respective Examination Centres throughout the province to write English HL and FAL Paper 1 tomorrow morning.

The Department is confident that it will still be in a position to manage an incident free, credible examination process with the highest levels of professionalism and integrity. The Department urged communities to be the first line of defence and to deliberately create conditions that are favourable for candidates to prepare and focus on their studies for the duration of the examination period.

The ideal goal for the Department is for all the candidates to pass with flying colors considering the support provided since the beginning of their schooling journey. If that does not happen, the Department will be comfortable registering an 83% pass rate.

The media is invited to cover the monitoring visit at Mgubho Secondary School.
