MEC DLAMINI TO MEET THE LEADERSHIP OF THE ASSOCIATION OF SCHOOL GOVERNING BODIES

The MEC for Education, Ms Cathy Dlamini, will this morning, 13 May 2025, hold a meeting with the leadership of the Provincial Association of School Governing Bodies.

This engagement will bring together representatives from the National Association of School Governing Bodies (NASGB), the Federation of Governing Bodies of South African Schools (FEDSAS), and the South African National Association for Special Education (SANASE), in a collective effort to enhance and strengthen school governance across the province.

It forms a key part of the MEC's broader Stakeholder Engagement Programme, which is designed to foster dialogue and partnership in pursuit of quality education delivery.

By working hand-in-hand with school governance structures, the MEC reaffirms her commitment to creating a conducive learning and teaching environment that supports excellence in teaching and learning in every classroom, every day.

This is a step forward in uniting all education stakeholders behind a shared vision, thriving schools, empowered communities, and a brighter future for every learner in the Place of the Rising Sun.

The media is invited to cover the occasion at 12H00 in the Government Riverside Building, Ikhamanga Building, upper ground floor.

A nation at work for all!
