FROM THE MPUMALANGA DEPARTMENTS OF EDUCATION AND PUBLIC WORKS ROADS AND TRANSPORT

05 AUGUST 2026

THE OFFICIAL HAND OVER OF SILULU SECONDARY SCHOOL AND CHIEF MANDINDA ECD CENTRE

The MEC for Education, Ms Lindi Masina, together with the MEC for Public Works, Roads and Transport, Mr Thulasizwe Thomo, will officially hand over the newly built Silulu Secondary School at Kamaqhekeza, Nkomazi Local Municipality on Thursday, 06 August 2026 at 08H00.

The state of the art school comprises 28 modern classrooms, an administration block, computer centre, science laboratory, library, auditorium, fully equipped kitchen, 22 Enviro Loo sanitation facilities, reliable water and electricity supply, security infrastructure, accessible ramps and handrails, sheltered parking and a paved assembly area.

Later on the same day, at MEC Masina will officially handover the Chief Mandinda Early Childhood Development (ECD) Centre in Mgobodzi at 14H00.

The ECD Centre features three classrooms, a kitchen, administration office, sick bay, storeroom, pantry, child-friendly ablution facilities and learning resources, providing a safe and stimulating environment for early childhood development.

These infrastructure projects demonstrates the Mpumalanga Provincial Government's commitment to improve the delivery of learning and teaching throughout the Province.

It is an endeavor to further improve access to education and creates opportunities for every child to reach their full potential.

The media is invited to cover both occasions which forms part of the EXCO Outreach and Premier's Imbizo.
