- 7.2 It should further be noted that the power to appoint promotional school-based educators on post levels 2 to 4 is currently delegated to District Directors in the Mpumalanga Department of Education.
- 7.3 Any appointment, promotion or transfer to any post on the educator establishment of a public school may only be made on the recommendation of the governing body of the school, and if there are educators in the Mpumalanga Department of Education concerned who are in excess of the educator establishment of a public school due to operational requirements, that recommendation may only be made from candidates identified by the Head of Department, who are in excess and suitable for the post concerned.
- 7.4 Only legally constituted school governing bodies may make recommendations for appointment. Until the relevant governing body is established, the appointment, promotion or transfer in a temporary capacity to any promotional post on the educator establishment must be made by the District Director where a new public school is established in terms of the South African Schools Act, 1996, and any applicable provincial law.
- 7.5 In considering the applications, the governing body must ensure that the principles of equity, redress and representativity are complied with, and the governing body or council **must** adhere to –
- the democratic values and principles referred to in section 7(1) of the Employment of Educators Act, 1998, i.e. equality, equity and the other democratic values and principles which are contemplated in section 195(1) of the Constitution of the Republic of South Africa, 1996, and which include the ability of the candidate, and the need to redress the imbalances of the past in order to achieve broad representation;

  - a procedure whereby it is established that the candidate is registered or qualifies for registration as an educator with the South African Council for Educators; and
  - procedures that would ensure that the recommendation is not obtained through undue influence on the members of the governing body or the council, as the case may be.
- 7.6 On conclusion of the short listing- and selection processes as prescribed, the governing body must submit to the District Director through the line function, a list of at least three names of recommended candidates in order of preference; or fewer than three candidates in consultation with the District Director.
- 7.7 When the District Director considers the recommendation contemplated in paragraph 6.6, he or she is required, before making an appointment, to ensure that the governing body has met the requirements in paragraph 6.5. If the governing body has not met these requirements the District Director must decline the recommendation.
- 7.8 Despite the order of preference of the governing body's recommended candidate list, the District Director may appoint any suitable candidate on the list.
- 7.9 If the District Director declines a governing body's recommendation, he or she must consider all the applications submitted for the post, apply the requirements in paragraph 6.5, and either appoint a suitable candidate in a temporary capacity with a view to making that appointment permanent, or re-advertise the post. If the District Director decides to appoint one of the applicants - other than a person on the list recommended by the governing body - in a temporary capacity, the governing body or council may appeal the decision of the District Director to the MEC within 14 days. This appeal must be finalised by the MEC within 30 days. If no appeal is lodged within 14 days, the District Director may convert the temporary appointment into a permanent appointment in terms of section 6B of the Employment of Educators Act, 1998, as amended.
